

■ USB 3.0 Express DUO 2-CH

The USB 3.0 standard enables a new breed of drives to offer unforeseen performance. Super Talent's new USB 3.0 Express Duo 2-CH can top over 67MB/s when plugged in to a USB 3.0 port, yet remains fully-backward compatible to the millions of USB 2.0 devices worldwide. The USB 3.0 Express DUO 2-CH features a new cap-less design that twists to reveal and conceal the USB 3.0 connector.

Includes :

And the USB 3.0 Express DUO 2-CH also includes Microsoft™ Security Essentials.

- Comprehensive malware protection
- Runs quietly in the background
- Easy to use
- Note: Your PCs must run genuine Windows XP, Vista or Windows 7
